James R. & Harry B. Baton. Alexandria. Va. May 25th, 1917

Wm. E. Harmon, Esq., New York, N. Y.

I am directed by the American Security & Trust Company, Executor of the last will of the late Chas. E. Wood, to say that it desires to emphasize the necessity for the liquidation of the assets in which he was interested as a member of the firm of Wood Harmon & Co. You are therefore requested to proceed to the sale of such property as is under your control with all reasonable dispatch.

American Security & Trust Co. By James R Calon Attorney Out-of-town Buyers

May take advantage of the great opportunity offered at this sale. Send \$5, we will pick out best unsold \$590 lot. If within 2 months you visit property and are for any reason dissatisfied, your money is refunded without question.

Mr. Charles E. Wood, late member of the firm of Wood, Harmon & Company, had a substantial but minor interest in some of the firm's Brooklyn properties. In accordance with the wishes of his heirs and at the request of his Executors, we are offering a certain portion of our Brooklyn holdings now at about half their real value.

The firm of Wood, Harmon & Company is known as controlling the largest amount of desirable land in Brooklyn. When you wish to designate the best real estate in Brooklyn it is enough to say it is a Wood-Harmon property. So the public may be assured these are unapproachable bargains and every-body who wishes may take advantage of the fact that subways are near at hand and rents mounting higher.

This is a most attractive section and has been improved with a number of substantial homes. While Subway is nearing completion and property enhancing in value, you can "do your bit" in the Nation's emergency by cultivating the land. It is a beautiful, rich garden spot, in fact, the finest land in Greater New York, where 300 bushels of potatoes per acre have been and can be raised. We have a letter from a customer who writes that he raised on his lots 45 barrels, 135 bushels, or, at the rate potatoes were selling this Spring, \$405 worth of potatoes.

This is a chance to be dependent of the food merchant, in part at least, as well as making wise provision for the future by investment in New York City land.

HOW TO REACH THE PROPERTY

The Nostrand Avenue Subway Terminus is at Flatbush Avenue and Avenue H, from which point. within a year, you will be able to ride to any part of the Interboro system for five cents.

AT PRESENT—Flatbush Avenue trolleys direct from Brooklyn Bridge and Atlantic Avenue Interboro Subway Station past this property; also Nostrand Avenue Line from Delancey Street via Williamsburg Bridge and transfer to Flatbush Avenue trolley. Get off at Flatbush Avenue and Avenue N. Our office is there.
